

Date: 10/02/2026
Name: Dhanya S

I am Dhanya S from kakunje software working as an intern. Today i had my eight session it was a interesting session and i had learned about the concepts on advance CSS. Today i learned about animation which is done automatically without user interaction, mediaqueries that is min-width and max-width, image reflection, object fit by using fill, contain, cover, scale-down, none, pagination which can be mainly seen in quiz, multiple columns, resizing, box sizing, flex box, flex wrap, flex flow, justify content, flex-start and flex-end, align items, align contents, perfect centering, order property, flex-grow property, flex strink, flex basis, flex property.
