

Date: 27/03/2026  
Name: Dhanya S

I am Dhanya S from Kakunje Software working as an Intern. Today I had my 45 session it was an interesting session and mam had taught us about Tailwind CSS. Today I learned about the Tailwind CSS how to copy the code from play CDN and how to write all the styling in it, when we use react how to install the tailwind CSS had been seen, and also to change the vite.config.js and importing the tailwind.css in index.css

# Hii, i am Dhanya S

## Intern at Kakunje Software

I build responsive and user-friendly websites using modern technologies, with a strong focus on clean code, efficient functionality, and engaging user experiences.

## About Me

Motivated Computer Science and Engineering undergraduate with a keen interest in exploring new technologies and solving challenging problems. Seeking opportunities to work on innovative projects, collaborate with industry professionals, and enhance my technical skills.

## Skills

|         |     |            |           |
|---------|-----|------------|-----------|
| HTML    | CSS | JavaScript | React.js  |
| Node.js | PHP | MySQL      | Bootstrap |

## Projects

### Project 1

Recipe Finder software utilizes AI technology to create personalized recipes, reduce food waste, and promote healthier eating habits.

[View Project](#)

### Project 2

Developed a responsive bookstore website that enables users to browse, search, and explore a diverse collection of books with an intuitive interface.

[View Project](#)

### Project 3

Developed a language converter web application that enables users to translate text across different languages with ease.
