

Date: 03/02/2026
Name: Dhanya S

I am Dhanya s from kakunje software working as an intern. Today i had my first session it was interesting and mam had explained well about the HTML and CSS. Today we had learned about the lists in html, block level and inline elements such as div and span, class and id attributes where it is used we have seen, to create forms and the dropdown table we had seen, radio button and check box like how many options can be entered in both of these, methods like get and post we have seen in this class.
